

Department for Culture and the Arts
State Records Office of Western Australia

Information Sheet

RESEARCH ASSISTANCE

While the State Records Office endeavours to answer written (letter/fax/email) queries about information held in the State Records Office collection, we are unable to carry out prolonged research for clients. Where we are unable to assist, we recommend that clients seek help from a range of organizations that either specialise in different types of research or represent researchers. Clients who wish to employ a researcher may also find these references useful.

Additional contacts

University students may be available to carry out research for a fee, depending on the type of work required. University faculties should be contacted direct for information on student research.
