Electoral Rolls

The State Records Office of WA holds a small but significant collection of pre-Federation electoral rolls (as well as several original electoral rolls for the post-Federation period). The listing below provides an inventory of these records. The items marked with an asterisk (*) denotes that these records are available on microfilm.

The main series of State and Local electoral rolls are printed and commence in 1904. These rolls are held by the Battye Library of Western Australian History.
